**REQUEST FOR CERTIFICATE OF CORRECTION
PURSUANT TO 37 C.F.R. § 1.322**

Dear Sir:

Transmitted herewith is a Certificate of Correction for U.S. Patent No. 6,953,136 B2 issued on October 11, 2005. Upon reviewing the patent, applicant's attorney noted the following error made by the Patent and Trademark Office, which should be corrected as follows:

The first page of the patent incorrectly omits the foreign application priority data. The first page of the patent should therefore include the following information in the appropriate location:

-- [30]

Foreign Application Priority Data

Jan. 11, 2001 [DE]10101199.7

Jan. 3, 2002 [WO].....PCT/DE02/00002 --

Please correct this error.

As indicated in the attached Priority Acknowledgement, Acknowledgement of Request and Bibliographical Data Sheet, all of which were mailed on September 15, 2005, the Office of Patent Publication acknowledged the correct foreign priority information before the issuance of the subject patent. Therefore, as this error was made by the United States Patent and Trademark Office, there are believed to be no fees due. If, however, there are any fees due in connection with this matter, the Commissioner is authorized to charge them to Deposit Account No. 501561.

Respectfully Submitted,

GREENBERG TRAURIG, LLP

A handwritten signature in dark ink, appearing to read "Ralph W. Selitto, Jr.", with a large, stylized "T" or "7" at the end.
